The 2010 MKZ was unveiled at the 2008 Los Angeles International Auto Show, revealing an extensive update with a revised interior and exterior in addition to new features. The MKZ's exterior featured revised front and rear fascias. The MKZ's headlights were new, while its fascia and split-wing grille closely resembled that of the Lincoln MKR concept. In the rear, the taillights have been revised to be longer and thinner, similar to the original Zephyr concept.
