and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

A Brief History Of Liberty

Using a fusion of philosophical, social scientific, and historical methods, A Brief History of Liberty offers a succinct survey of pivotal moments in the evolution of personal freedom, drawing on key historical figures from John Knox and Martin Luther to Karl Marx and Adam Smith to Roger Williams and Thurgood Marshall. The authors examine how past (if incomplete) successes in the struggle for liberty have led many of us to liberty's "last frontier": internal psychological obstacles to our ...

A Brief History of the Statue of Liberty - TIME

Lady Liberty found her home in the waters of New York Bay on Liberty Island in 1886, and quickly became an international beacon of hope to more than 9 million immigrants in the 19th century. A centennial gift to the United States from France, the Statue of Liberty was originally the brainchild of poet and antislavery activist Édouard de Laboulaye. Laboulaye believed that celebrating America's newfound democracy after the Civil War, as well as the abolition of slavery, could also ...
