'In Bernard Shaw and the BBC, Leonard Conolly tells a fascinating story from beginning to end. Conolly is a consummate editor with wonderful writing and attention to detail, and his thoroughly researched and documented account is unique in offering the points of view of both Shaw and the BBC. A superb study and a great pleasure to read.'

But Shaw's personal presence in BBC studios (or later televised from his country home at his birthday celebrations) were dwarfed by the radio and television productions of his plays. In 1923, as one of its earliest programmes, the BBC broadcast an extract from Man and Superman, while the opening TV programme after the Second World War featured Shaw's Dark Lady of the Sonnets - together with a Mickey Mouse cartoon.
