CMMI SCAMPI Distilled, Using Appraisals for Process Improvement (11-17-2004) 26 Six Sigma & CMMI • In Six Sigma, individual processes are selected based on their ability to affect business results and provide visible value to the customer • CMMI is more focused on having the organizational processes defined, codified and institutionalized

### CMMI SCAMPI Distilled

Admittedly, CMMI Distilled is only an overview of CMMI, and it would take quite a bit of effort to explain how CMMI intersected with SCOR. It would go beyond evaluation, which is CMMI's focus, and begin to get into more specific business process improvement efforts, but perhaps that's another book.
