Sometimes satire and sometimes soap opera, Conveyance is nothing if not entertaining. In his debut book, Schuyler Bagwell shows how cars are much more than just a way of getting from Point A to Point B. Every car ever made — from an Alfa Romeo to a Yugo — has a distinct personality, and every mile on the odometer tells its own unique story.

Read anything about Lacan's life and you will find it punctuated by stories about cars and driving. Both Lacan's son-in-law, Jacques-Alain Miller, and his patient and lover Catherine Millot considered Lacan's way of driving as part of his ethical stance: one had to follow one's desire and not give way to inhibitions or norms. If one had to stop, make it a choice; do not yield to an ...
