One of the most common universal themes is the unavoidability of death. The fact that all people are mortal has always been an important idea. It appears in one of the very first works of literature, the epic poem "Gilgamesh," which comes from ancient Mesopotamia, but also in the late 20th century film "Death Becomes Her."

### **What Is the Definition of Universal Theme?**

Primary interpretive themes flow from resource significances. To provide opportunities for exploration, significances are translated into a set of stories called "primary interpretive themes." Societies have always relied on the power of story to
