The Future of Work Post-Pandemic: We're Not Going Back ...

Nicole Blake Johnson October 22, 2020. The future of government work entails more than employees adapting to new technologies or mapping career paths. It requires agencies to look at three dimensions of how government work is changing: 1) What type of work is needed and how it's performed; 2) how the workforce will evolve to perform this work, and who will do the work; 3) how agencies define the workplace and its location, whether in a shared office, at employees' homes or a combination ...
