Reasoning Rights Comparative Judicial Engagement

This book gathers together leading scholars in the field to assess key literatures shaping the discipline today and to help set the direction of research in the decade ahead. The study of law and politics is one of the foundation stones of the discipline of political science, and it has been one of the most productive areas of cross-fertilization between the various subfields of political ...

Oxford Handbook of Law and Politics - Oxford Handbooks

In other words, the incidence of human rights adjudication before the CJEU has been significantly augmented by the adoption of the Charter as a binding legal instrument. The article considers the implications for the Court of Justice of the growing demand for it to function in certain cases as a human rights adjudicator.

After the EU Charter of Fundamental Rights: The Court of ...

Jorge Contesse is a scholar of international human rights and comparative constitutional law, focusing on the judicialization of international law and on the interaction between domestic constitutional actors and international human rights regimes, in particular, the inter-American human rights system.
